MEMORANDUM FOR: Director of Security

SUBJECT: Report on Security Aspects of

50X1

1. This office is preparing an annual statement for presentation to the Project Review Committee on the status of a major contractor of the Agency.

50X1

2. The Project Review Committee outline requires a report on security as follows:

SECURITY

- a. Cover. (Describe and evaluate durability.)
- b. Knowledgeability. (Extent to which non-CIA personnel, both United States and foreign, are, will be made, or are likely to become witting of either official United States or CIA interest, including specific mention of whether government of host country, or any other, will be witting.)
- c. Operational Security. (Discuss, including description of protective measures to be taken and statement as to possibility of compromise.)
- d. Risks. (Discuss possible reactions and repercussions in event of compromise, both in United States and abroad.)
- e. Personnel Disposal. (Is this likely to become a problem either during or at termination of project. If so, what plans have been made to solve it?)
- f. Disaster Plan.

SECRET

3. Attached are my remarks concerning items a, b, c, d, and e. I have no knowledge concerning item f, "Disaster Plan."

4. Your comments on the attachment, as well as a statement concerning the Disaster Plan set up for [] if any, will be greatly appreciated, if possible, by the close of business on 6 July, 1954. To expedite whatever distribution you may wish to make within your office, I am attaching three carbons of this memorandum.
